

MAJOR UNUSUAL INCIDENTS

CATEGORY A

1) **Abuse:**

- **Verbal:** The use of words, gestures, or other communicative means to purposefully threaten, coerce, intimidate, harass, or humiliate an individual.
- **Physical:** The use of physical force that can reasonably be expected to result in physical harm or serious physical harm. Such force may include, but is not limited to, hitting, slapping, pushing, or throwing objects at an individual.
- **Sexual:** Unlawful sexual conduct or sexual contact, as well as, public indecency, importuning, and voyeurism.

2) **Neglect:** When there is a duty to do so, failing to provide an individual with any treatment, care, goods, supervision or services necessary to maintain the health or welfare of the individual.

3) **Exploitation:** The unlawful or improper act of using an individual or an individual's resources for monetary or personal benefit, profit, or gain.

4) **Misappropriation:** Depriving, defrauding or otherwise obtaining the real or personal property of an individual by any means prohibited by the Ohio Revised Code.

5) **Peer to Peer Act:** One of the following incidents involving two individuals served:

- **Physical Act:** When an individual is targeting, or firmly fixed on another individual such that the act is not accidental or random and the act results in an injury that is treated by a physician, physician assistant, or nurse practitioner. Allegations of one individual choking another or any head or neck injuries such as a bloody nose, a bloody lip, a black eye, or other injury to the eye, shall be considered major unusual incidents. Minor injuries such as scratches or reddened areas not involving the head or neck shall be considered unusual incidents and shall require immediate action, a review to uncover possible cause/contributing factors, and prevention measures.

- **Verbal Act:** The use of words, gestures, or other communicative means to purposefully threaten, coerce, or intimidate the other individual when there is the opportunity and ability to carry out the threat.
- **Sexual Act:** Sexual conduct and/or contact for the purposes of sexual gratification without the consent of the other individual.
- **Exploitation:** The unlawful or improper act of using an individual or an individual's resources for monetary or personal benefit, profit or gain.
- **Theft:** Intentionally depriving another individual of real or personal property valued at \$20 or more or property of significant personal value to the individual.

6) **Rights Code Violation:** Any violation of an individual's rights (as per ORC 5123.62) that creates a likely risk of harm to the health or welfare of an individual.

7) **Failure to Report:** A person, who is required to report, has reason to believe that an individual has suffered or faces a substantial risk of suffering any wound, injury, disability, or condition of such a nature as to reasonably indicate abuse, misappropriation, or exploitation that results in a risk to health and welfare or neglect of that individual, and that person does not immediately report such information to the appropriate agency.

8) **Prohibited Sexual Relations:** A DD employee engaging in consensual sexual conduct or having consensual sexual contact with an individual who is not the employee's spouse, and for whom the DD employee was employed, or under contract, to provide care or supervise the provision of care at the time of the incident.

9) **Death:** Any death of a DD individual.

10) **Attempted Suicide:** A physical attempt by an individual that results in emergency room treatment, in-patient observation or hospital admission.

11) **Medical Emergency:** An incident where emergency medical intervention is required to save an individual's life, (e.g., choking relief techniques such as back blows or cardiopulmonary resuscitation (CPR), epinephrine auto injector usage or intravenous for dehydration.)

12) **Missing DD individual:** An incident that is not considered neglect and the individual's whereabouts, after immediate measures taken, are unknown and the individual is believed to be at or pose an imminent risk of harm to self or others. An incident when an individual's whereabouts are unknown for longer than the period of time specified in the ISP that does not result in imminent risk of harm to self or others shall be investigated as an unusual incident.

13) **Significant Injury:** An injury of known or unknown cause that is not considered abuse or neglect and that results in concussion, broken bone, dislocation, second or third degree burns or that requires immobilization, casting, or five or more sutures and shall be designated as either known or unknown cause.

CATEGORY C

14) **Unscheduled Hospitalization:** Any hospital admission that is not scheduled unless the hospital admission is due to a pre-existing condition that is specified in the ISP indicating the specific symptoms and criteria that require hospitalization.

15) **Law Enforcement:** Any incident that results in the individual served being charged, incarcerated, or arrested.

16) **Unapproved Behavior Support:** The use of an aversive strategy or intervention implemented without approval by the human rights committee or behavior support committee or without informed consent, that results in a likely risk to the individual's health and welfare.
