

Family Toy Adaptation Workshop

**Saturday, Sept. 14
2 to 4 p.m.**

RePlay for Kids will teach families of children with disabilities how to adapt a toy. Each family will leave with one adapted toy and a toolkit with the necessary tools, parts and instructions for adapting toys at home. There is no charge to attend this program funded by the Community Foundation of Lorain County. When registering, only register one participant to indicate one family. Preregistration required.
