

A Night In The Orient at the Murray Ridge School Prom

On May 5, Murray Ridge School held its annual Prom.

This year's theme was A Night In The Orient! Prom was attended by more than 200 people, there to celebrate the graduating seniors in this year's class, with seven young men and one young woman crowned kings and queen.

Staff spent weeks after school decorating the gymnasium for the big event, and attendees were astonished to see the transformation; oriental decorations, complete with fans, parasols, and hanging lanterns lined the halls and decorated the entire gym!

A delicious catered dinner was provided to all attendees. Additionally, a professional photographer was on-hand to take photos to mark the occasion, with a photo booth donated for candid shots. A DJ provided music and entertainment! These professionals donated their services to the school, and all funds for the Prom were raised through donations to the school, and by staff through bake sales, t-shirt sales, and various raffles and dining events held throughout the school year.

Thank you to all who helped make this year's Prom a huge success!

On May 13th, more than 500 athletes from Lorain and Cuyahoga counties participated in the 37th annual Special Olympics event in a wide range of activities, including the opening ceremony, races, softball throw, and standing long jump. The event was held at Ely Stadium in Elyria.

Seventeen groups, including Murray Ridge, competed in the games, and hundreds of parents, teachers, friends, and caregivers came out to show their support for the amazing athletes. Murray Ridge is a proud participant each year in this event where children with developmental disabilities can showcase their exceptional athletic abilities.

We commend all the athletes that competed in the games, with special congratulations to our Murray Ridge School students who, once again, represented us well!

Murray Ridge "Rocks"

Murray Ridge Center is proudly participating in a fad sweeping northeast Ohio called "Northeast Ohio Rocks." This project, which involves painting and hiding rocks, is intended to be a fun activity for young and old to spread random acts of kindness within the community.

Staff and consumers at the Elyria Opportunity/Vocational Center have been painting rocks, adding a decoupage tag on the back, and hiding them at nearby parks, beaches, and other places throughout the community. They are encouraging people to find the rocks, upload the photos with the hashtag #MurrayRocks, and re-hide the rocks in Lorain County!

Local Union President Wins Award

Diane Smith was the recipient of the Ohio Association of Public Employees (OAPSE) Northeast District Legends Award at the Bi-Annual Northeast District Conference held in Cleveland May 6-8.

Smith (pictured, right, holding her award), is the Family Support Coordinator for Murray Ridge Center and Local President for local union 771; she has been an OAPSE member since its inception. Diane was nominated for this award by the Northeast District President for her many years of service and participation in political activities.

As part of her Local President responsibilities, Diane sits on several committees, is involved with Agency labor negotiations, advocates for union members, and meets with Agency management, including the Superintendent, regarding any concerns or changes impacting the Agency.

"I appreciate our Superintendent and upper management because I believe they care about the students and consumers we serve, as well the staff that work at Murray Ridge," Smith said.

Congratulations, Diane, on receiving this prestigious award!
